# Creating an avatar

- In the multiplayer mode ("I need help" lobby, Keuda's Metaverse and the Partners' 3D rooms) you move in the form of an avatar.
- You will automatically be prompted to create an avatar when you enter multiplayer mode for the first time.
- You have two options for creating an avatar:
  1. Choose one of the sixteen ready-made avatars
 2. Customize your avatar

Choosing a ready-made avatars

1. Select "Skip >" at the bottom right

2. Choose an avatar for yourself from the menu.

3. Enter your name in the "Your name" field.
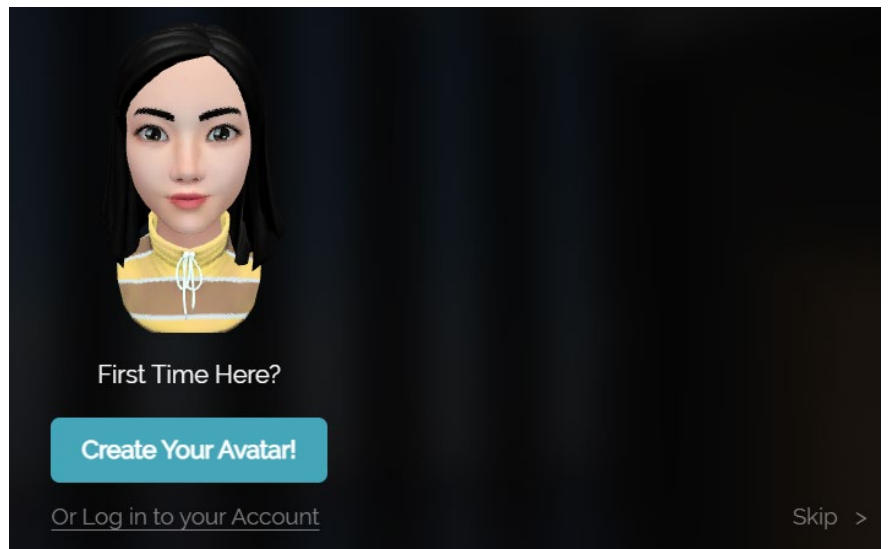

4. Click "ENTER".

5. When you enter the environment, Mute your microphone by clicking the microphone icon next to your name. If you want to open the microphone to chat with others, click on your own name.

Customizing your avatar

1. Select "Create Your Avatar!"
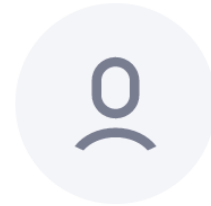

2. Choose your body type.

For best results take a selfie with a neutral face and good lighting. ⊙

3. Add a photo of yourself and an avatar will be created based on your photo or select "Continue without a photo" to create an avatar yourself.

Take a photo!

or <u>pick a file</u>

Continue without a photo
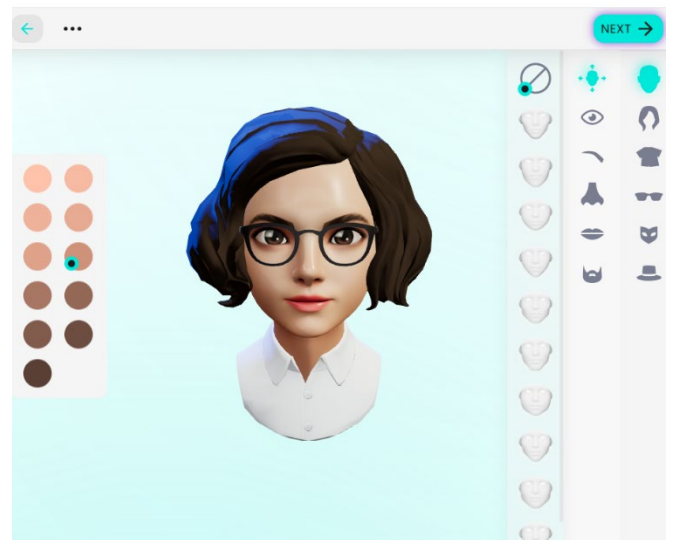

Pick an Avatar

You'll be able to customize it later

4. If you create an avatar without a picture, first choose one of the ready-made templates. You can customize it in the next step.
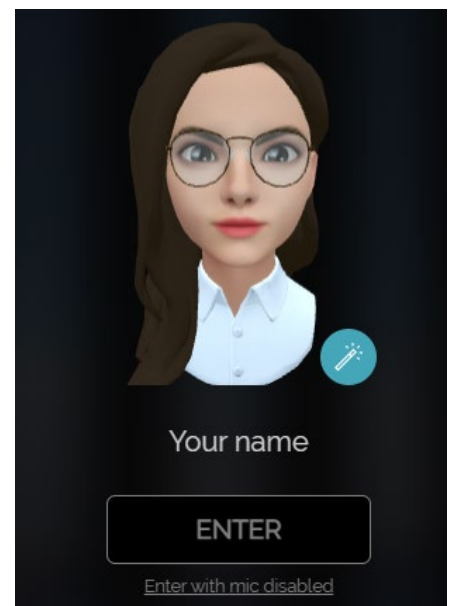

WONDA

5. Fine-tune your chosen avatar to your liking.

6. Click "Next -> " in the upper right corner when you're done.

7. Enter your name in the "Your name" field.

8. Click "ENTER".

9. When you enter the environment, Mute your microphone by clicking the microphone icon next to your name. If you want to open the microphone to chat with others, click on your own name.
